

**YOU ARE INVITED TO ATTEND
A NAUSET GARDEN CLUB PROGRAM WITH**

**SUSAN NOCK
GARDEN DESIGNER, EDUCATOR & WRITER**

SUCCULENT CONTAINERS FOR INSIDE AND OUT

Learn about the wonderful world of succulents, from propagation and planting to caring for these unique plants. Susan will discuss the wide range of fascinating succulent plants and how to use them in container gardens. Susan will also talk about New England hardy succulents that can thrive in our gardens. This presentation includes a slideshow and ends with a planting demonstration. Come in from the cold, bring your questions and be ready to learn. You can also try your luck at winning a succulent container garden!

When: Wednesday, February 11, 2026
